**SECTION 600.4**

Garage/Yard Sale shall be controlled and regulated as follows:

1. Three garage/yard sales from one residence per calendar year are permitted.
2. Ordinary household goods belonging to the owners/occupants of the residence are permitted to be sold at the garage/sale and only in such quantity as would be reasonably be expected to come from one residence; however, a number of residences in the immediate area may combine or pool their household goods and hold one garage/yard sale; and
3. New merchandise being sold or merchandise that could not be classified as household goods cannot be sold at a garage/yard sale.
